

OAKINGTON & WESTWICK PARISH COUNCIL – RISK ASSESSMENT 2023

“The greatest risk facing a local authority is not being able to deliver the activity or services expected of the Council”

Risk assessment is a systematic general examination of working conditions, workplace activities and environmental factors that will enable the Parish Council to identify any and all potential inherent risks. The Parish Council, based on a recorded assessment, will take all practical and necessary steps to reduce or eliminate the risks, insofar as is practically possible.

This document has been produced to enable Oakington & Westwick Parish Council to assess the risks that it faces and satisfy itself that it has taken adequate steps to minimise them.
