

OWN Update 16 October 2020

We'd like to say a HUGE thank you to the 5 ladies in the village (4 from the WI) who banded together to make face masks which have been sold for charity in the village shop with the kind support of Raj and Kanwal. Of the money collected, £1000 has been donated to OWN to support our ongoing work. We appreciate this so much – helping during the Covid crisis has meant extra expenses, and we have not been able to fundraise ourselves during this time, so this gift is brilliant! Face masks are still being produced and are for sale in the shop with Christmas versions being available from the beginning of November. Great stocking fillers!

Our Annual Meeting takes place on Monday 2 November at 7.30pm on Zoom. After the brief formalities we will look back on the amazing community spirit which became apparent from the early days of lockdown, and discuss how we can build on that to support our village life. Everyone is invited to come along and participate in this workshop-style event. Just email OWN (owneighbours@gmail.com) to book your place and we will send you all the details you need to join. Bring your own refreshments!

Check out the pizza deal at the White Horse on Mondays. If you buy one, you get another free when eating in. Please book to avoid disappointment. And don't forget, the Olive Tree restaurant at Oakington Garden Centre is open every day for coffee and cake, lunch or afternoon tea.

Community Zoom - the Oakington and Westwick Community Association has taken out a Zoom licence which it is making available to local groups and societies to conduct their meetings on-line. For more information check out the new CA website www.oakingtonwestwickca.org
